

# Attention FDA

0129 '00 MAY -4 A10:27

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*I should not be forced, and if so yes then FDA should pay for it.*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*I am legally blind, live alone and can't drive.*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*no, certainly not!*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*certainly, it is my right!*
